

AMANDA JESTER

ASSOCIATE

Amanda Jester grew up in a military family, with an Army mother and an Air Force father. She has lived in Delaware for most of her life. Amanda is a former high school teacher and union leader.

After a decade in the classroom, she decided to pursue other advocacy opportunities in the field of law. While she is still very passionate about labor law, she currently practices in the fields of residential real estate, property, estate planning, and estate administration law.

Amanda received her bachelor's degree from in History Education from the University of Delaware, and also has a master's degree in Educational Technology from Wilmington University. She graduated with honors from Widener Delaware Law School.
